Editor's Comment

New Year – New Start! Since the last Newsletter we have had the AGM with the changes that brings to the Committee (report later). The main change is that we have a new Chair, and I am sure that you will all join me in welcoming **David Batty** to this important UERSA post. You can read his first Chairman's message after this preamble.

For various reasons, I have run out of time for writing a useful comment, so I am going to copy in a paragraph from the last Newsletter, as I still hope to get some feedback or news!

Just a reminder that I would like to hear any interesting news from members, especially if suitable to be included in the next newsletter. I would also like to have any comments and feedback about UERSA events you attend, so that those who didn't, couldn't (or wouldn't) can hear more about it.

Here's wishing us a glorious Spring!

Chairman's Message for January 2015 Newsletter

Dear Friends

A happy New Year! And it is a fresh start for me as the new Chairman of UERSA – I'm very glad to have this opportunity of involving myself with the Association in such a capacity. I have inherited an excellent set of Committee colleagues from Alastair Logan whom I should like to thank for his sterling efforts as Chairman over the last three years.

Many of us got together at the annual Christmas lunch at the Devon Motel to see the old year out. This lunch always strikes me as a very happy occasion, one to meet up with old friends for convivial conversation and hospitality, and I'm grateful to Sue Cousins for organising the event. And joining the walking group's recent first outing of 2015 – a gentle meander from Lypstone to Topsham – reminded me that we also owe a debt to the leaders of UERSA's various special interest groups in ensuring there is a range of activities to keep our members in touch with each other. If you have not already done so, do investigate one or more of these groups: you can find details in this newsletter and on the UERSA website.

The recent Research Excellence Framework results have enhanced the University's reputation and are a tribute to the committed work of our many colleagues still 'in harness' at the University. The University is not always so visible but can still be capable of making a real impact in other arenas. One of the most striking elements of ITV's second series of *Broadchurch* (starring David Tennant and Olivia Colman) is the use of the Forum as the County Court building; it looks most impressive! Do any of you have recall of any other occasions when Exeter's premises have been used for a major TV or film setting?

2015 marks the 60th anniversary of the awarding of the University's Charter and it is understood that the principal celebrations will take place towards the latter part of the year. Associated with these will be the publication of Jeremy Black's new history of the University which should make a fascinating read for many UERSA members and possibly a controversial topic for conversation amongst us!

Finally, a plea as I start my 3-year term as Chairman. Membership of the UERSA Committee is not static as colleagues (quite rightly) decide to move on after making a valuable contribution to its business. We do need new blood from time to time – please consider joining us!

David Batty

Please note that where the individual notice is very short, this is due to a lack of information and not of respect. I have taken the decision on this occasion to keep all of them short Ed

Christmas Lunch Thursday 11th December at the Devon Hotel

Sadly, your Newsletter Editor was unable to attend this year, so I am unable to report any interesting gossip first-hand. However, all reports I have heard suggested a very enjoyable event, so many thanks to Sue Cousins for arranging it.

UERSA Coffee Mornings (arranged by Jan Reynolds) are held on the last Tuesday of most months, from 10:00 to 12:00 in the Nutters Bar area (!) at The Imperial in New North Road. They are very informal (not to mention noisy on occasion!) and an average of around 30 members attend. (Some recent research indicates that coffee is good for the memory!) *from Jan Reynolds*

Reports and News from Special Interest Groups:

If you can get on the internet, all this information can be found on the UERSA website (<http://groups.exeter.ac.uk/uersa/index.html>) where it is kept up-to-date, and is easy to navigate (thanks to Roger Coles).

If you are interested in participating in any of these groups, please apply to the Membership Secretary, Chris King. Several of the groups' events are arranged interactively, mostly by e-mail.

It is particularly important if you are unable to use e-mail, as information and updates on group activities are sent by ordinary mail only to members of that specific group who require it.

You can contact Chris by telephone or via her e-mail address above. Or you can download an application form, in pdf format, from the Membership forms page.

Here are some of the highlights of our special interest group activities over the last few months, gleaned either directly from the organisers, or from browsing our website. I have used my editorial freedom to write some of the commentaries – the reports actually sent by leaders have their name added.

Badminton (Jan Reynolds)

The Badminton Group meet once a week (Wednesday Mornings from 11 a.m.-12 noon) at the University's Sports Hall. At present there are 7 members but a few more members would be most welcome!

The Bridge Group (Paul Ellison)

The Bridge Group is now meeting at Cornwall House in Practice Room 7 of the Music Section. Sadly, Paul had to cancel the Christmas meeting (Dec 18th), due to lack of numbers.

Garden Group (Anne Mayes)

17th Sept - Holcombe Court was the last visit of the season. Here are snippets from Anne's report. Those who arrived early took the chance to visit the adjacent church which has an intriguing set of monuments, adults lying prone but a row of children standing one behind the other, 8 daughters, very moving. Kathy, the Head Gardener, told the group about the development of the garden, and showed off her potting shed, a real 5* shed beautifully equipped with some wonderful wooden fittings - no plastic allowed!. Among the various areas, the walled garden is particularly impressive, imaginatively laid out and packed with fruit and vegetables. Refreshments were served on a very sunny terrace, soft drinks and Duchy biscuits – very welcome. I think we could all have happily dozed off in the sun! from Anne
(As usual, I urge anyone interested to look at her web page - you really need to look at the descriptions and the glorious colour pictures on the web! Ed)

Music/ Opera Group (Alastair Logan)

23rd November - Thirty-nine members of the group attended a performance by Glyndebourne Touring Opera of Verdi's perennially popular La Traviata at the Theatre Royal, Plymouth. After a rather sticky(!) start caused by an unforeseen parking problem at the Squash Club, we got to Plymouth in good time and the majority enjoyed an all-you-can-eat meal at the View Pan Asian restaurant. I think we all very much enjoyed the splendid singing with a superb Violetta and excellent Alfredo and Germont père, but were rather less impressed by the set.

From Alastair Logan

Nature Walks (Judy Mead)

As noted in the last Newsletter, the autumn walks had to be cancelled because there were not enough takers who booked in time. A new programme has been arranged for the New Year.

Restaurant Group (Frankie Peroni and Liz Smith)

This is a social bunch who enjoy the food, wine and chatter. Since the last Newsletter, there have been two lunches, on Thursday 9th Oct at Brookside Cafe, Bovey Tracy and on Tuesday 11th Nov, at The Redwing in Lypstone. Thanks to everyone involved in organising the different visits.

Table Tennis Group (Ruth Preist)

The fortnightly sessions seem to be appreciated! More are planned for the next few weeks.

Theatre and Shows: (Sue Cousins)

There were no events in the Autumn

Walking Group (Trevor Preist)

A report and summary of the 6 Autumn walks is available on the UERSA website along with archival descriptions of previous walks. There are a lot of photos and interesting descriptions too. If you think you might like to go for a walk with a sociable group of people, look at these and the new programme for Winter and choose one (or more!) to join. Walks are of various lengths, so something for everyone.

Wine Tasting Group (John Carroll)

On Thursday 6th Nov, we had a very enjoyable and informative Sherry Tasting hosted by Laurie Burbridge at 21 The Mint. Many thanks to Laurie for that event.

John Carroll

(I enjoyed this event, too, and it was fun to go through such a large selection of sherries. Although we very much liked one or two of the sherries offered, I'm not sure that the sherry bottle will return once again to our sideboard cupboard to be brought out regularly at social events. (Perhaps a special bottle will be hidden away!) Ed)

## FORTHCOMING GENERAL EVENTS (UERSA)

### Coffee Mornings - Imperial Hotel, New North Road, Exeter

Coffee Mornings (arranged by Jan Reynolds) are held on the last Tuesday of most months, from 10:00 to 12:00 in the Nutters Bar area (!) at The Imperial in New North Road. They are very informal (not to mention noisy on occasion) and an average of around 30 members attend. (Some recent research indicates that coffee is good for the memory!)

*(If you haven't been to a coffee morning before, do go along and introduce yourself – I'm sure you'll be made very welcome. ... Ed)*

A reminder about parking charges:- If you pay for parking and show your 'parking receipt' this amount will be refunded at the bar on your purchase of coffees, etc.

Dates for Meetings in 2015 will be

Jan 27<sup>th</sup>, Feb 24<sup>th</sup>, Mar 31<sup>st</sup>, April 28<sup>th</sup>, May 26<sup>th</sup>, June 30<sup>th</sup>

From Jan Reynolds at [janandmikereynolds@gmail.com](mailto:janandmikereynolds@gmail.com): Tel 01392 271204

**Feb 25<sup>th</sup> - Walking Group - celebrate the 10<sup>th</sup> anniversary of our first walk (25<sup>th</sup> February, 2006).** *Not strictly a General UERSA event, but Trevor thought that people might be interested in his Anniversary Walk, so I am copying the details in here. If you are not a member of the walking group, and would like to join, please let Trevor know.* *Ed*

This will be a short walk in the Exe Valley (details as yet unclear) ending at The Ruffwell for a lunch and a drink to lubricate the nostalgia. See Walking Group programme for more details

### Suggestions for future events

The Committee discussed various ideas for future trips – as follows:

Ask Bruce! Favourable comments were received from many of the Committee Members about the trips arranged by Bruce Coleman – most recently the Exmouth/Brixham Cruise on 3<sup>rd</sup> July 2014. In fact Bruce has recently mentioned to Jan that he would be willing to undertake another outing for UERSA members, so let's hope!

A repeat of the successful trip which took place a few years ago (5<sup>th</sup> June 2010) Along the Tamar, including a Visit to Cotehele by Mary Ravenhill and Nancy Scattergood .

Look again at a Trip to Swindon - planned for last year, but never materialised, and also a planned visit to Greenway (Agatha Christie's former Home) which was postponed.

Other suggestions - trip to Wells? Salisbury (+ Magna Carta 800 anniversary exhibition) ? Bristol?

David Batty said that if UERSA Members put forward other ideas for a trip he would perhaps organise one of them.

**So**

if **you** have any suggestions for future UERSA events we would love to hear them. Also, if any of the suggestions above appeal, let us know. Please send comments and suggestions to me, Rachel Kirby (*contact details on the Committee Page*) and I will pass them on to the Committee. If you can offer help with organisation of any trips, we'd be very grateful.

### **Bridge: (Paul Ellison)**

We start playing about 7pm, stop for a drink and biscuits about 8.30pm then finish playing as soon as a natural break occurs after 10pm. To cover hire of the room we make a **charge of £2 per evening per player**. We play rubber bridge if we are 4 (occasionally 8), but normally we play the Chicago 4-deal version. This allows us to cut for new partners every four deals and ensures that everyone plays as often as possible during

the evening. We are serious about our bridge but not fanatical, so if you can play but feel that you could improve (don't we all!), then we would be most happy to see you. If something exciting has happened to a member, the mid-evening break can extend considerably as we rate the social element of the evening quite highly!

**Dates in 2015** 22nd Jan 26th Feb 26th Mar 23rd Apr 28th May 25th June

All the above dates are on a Thursday. The location in Cornwall House is in the Music Section of Cornwall House, Practice Room 7. It is reached via a side door to Cornwall House (next to the outdoor swimming pool), and is the first room on the right in the corridor. The outside door will be open till about 11 pm each day; the door to the practice room is on an electronic code (which I (Paul) have been given, so I'll make sure it is open by 7.00 pm). Parking on campus is not charged after 6.00 pm.

### **Gardens: (Anne Mayes)**

Happy New Year to you all! I'm currently housebound and trying to use the time to arrange this season's programme. An added complication is continued uncertainty over the availability or otherwise of parking at the Cricket Club for our coach trips. I had hoped to be able to use the Toby Arms at Middlemoor as some other Exeter based groups do, but they too are losing part of their car park and are cutting back even on existing users. Does anyone have any bright ideas where 15-20 cars could park all day? The University these days tends to fill up very early and if there's an Open Day or event then parking is restricted anyway. M5 Services would cost £12.50.

**Stop Press** Anne has just sent out details of 4 meetings she has arranged :-

Friday 13th March Killerton, EX5 3LE OS192 978001

Tuesday 15th April, Coleton Fishacre TQ6 0EQ OS202 910508

Friday May 15th is Moretonhampstead Gardens TQ13 8PW OS

Thursday 25<sup>th</sup> June Longstock Water Gardens and Mottisfont House and Garden

If you are a member of the group, you will have the details already. If not, please get in touch with Anne to let her know you are interested.

### **Guided Nature Walks (Judy Mead)**

Thank you for responding to my email earlier this month - we now have a sizeable group who are interested in natural history events.

Two Saturday walks have been arranged, on 14<sup>th</sup> Feb and 19<sup>th</sup> May. If anyone has ideas of other nature related sessions, I would be delighted to hear them.

**Saturday February 14th** 10am - 12.30pm A nature walk (more like a slow potter) in the university grounds (Streatham Campus), will be lead by Nigel Pinhorn, a local naturalist. We will be looking at various aspects of winter wild life including birds, plants and insects. No previous knowledge will be expected.

*The February walk is almost full. If anyone wants to join in at the last minute then they should email me or telephone. 01392 425571*

Numbers will be limited to 15 so it will be on a first come first served basis.

The cost of the 2.5 hours session will be £10 per person and I will collect the money on the day but by reserving a place this will be a definite commitment to pay.

I will notify the starting point shortly.

**Saturday May 19<sup>th</sup>** 10am – 12.30pm. The May walk may cover some of the same ground on the Streatham Campus but will be looking at late spring/early summer wildlife. More details of the May walk in April.

Please let me know if you have any queries.

### **Music / Opera: (Alastair Logan)**

**The Magic Flute, by Mozart performed by Welsh National Opera,**

**The Theatre Royal, Plymouth, Wednesday 1<sup>st</sup> April, 2015, at 7.15pm (Good Friday April 3<sup>rd</sup>)**

This event is now fully booked, but I am including details of the event as a reminder for those who have places.

A Circle seat will cost £45.50 and an Upper Circle seat £25.50. Supper is booked at the View Pan Asian Restaurant again. You can eat as much as you like for £14.99, but you are, of course, free to book your own.

Travel is as usual by coach from the Devon and Exeter Squash and Cricket Club. Hopefully there should be no problem about car parking. We will leave Exeter at 4.00pm. The cost of the coach will be £8.50.

**N.B. Payment is requested by 16<sup>th</sup> January**, please, as the Theatre Royal has to be paid in full by 6th February and cheques should be made payable to the University of Exeter.

In case of any query or problem please contact:

### **Table Tennis (Ruth Preist)**

Remember the old saying ‘Laughter is the best medicine’? Come and join us at table tennis – you will find that there is a lot of laughter! I hope that some of the original players who came only to the trial sessions of October and November in 2013 will again venture to join us. You will be more than welcome.

We meet on Thursdays, 10.30 – 12.00, Sports Park, Studio 3. -- All equipment supplied.

The following fortnightly dates have been booked for the Spring – all are on Thursdays.

The charges will be £10 for the five sessions (22 January onwards) or £2.50 for an individual session.

Also please check the UERSA web site picture archive lovingly tended by Roger (pages 5 and 7 – our first meeting, Dec 2013, and our meeting last month one year on).

### **Walking (Trevor Preist)**

This is a short two-month programme reflecting the current difficulty in planning too far ahead. I hope that the next will cover the four months March – June and I have two offers for the eight walks needed to keep up our two per month pace!

#### **Any more offers?**

**The mini-break in June** is likely to be in the Prawle Point area. I will give more information when I have completed some exploration.

The short programme will finish with a bang to **celebrate the 10<sup>th</sup> anniversary of our first walk (25<sup>th</sup> February, 2006)**. This will be a short walk in the Exe Valley (details as yet unclear) ending at The Ruffwell for a lunch and a drink to lubricate the nostalgia. **Do join us.**

*I'm sorry that Newsletter publication and walk programming dates don't match. If you want to know about future walks this season, you need to join the walking group, so that details are sent to you. I'm afraid you've missed these 2 walks*

The gift is the largest award made by The Wolfson Foundation in 2014 and is the latest milestone in a long history of key contributions from the charity towards the advancement of science at Exeter. The Living Systems Institute will bring together 200 cell and molecular biologists, mathematicians, physicists, biomedical scientists and engineers to investigate the fundamental cellular processes underlying human and plant disease. With a state-of-the-art building currently under construction on Streatham Campus, the £52.5 million project is the largest single investment in science in the history of the University.
