***The Oct/Dec programme is finally out thanks to the efforts of the leaders who have test driven the routes in readiness. I thank them warmly on your behalf.
After a gap of three years I am reinstating the Annual lunch walk in late November. It will be preceded by a short easy walk ending at the Ruffwell Inn, Thorverton.
I do hope that some of our members from earlier years who no longer walk will join us for lunch to meet and chat with old friends.***
