**Wednesday 2 November 2022**

**Train to Okehampton and the East Okement Valley**

**10.30 start from Okehampton Tain station and circa 5 miles**

The train starts from **Exeter Central at 09.33**, stopping at **Exeter St Davids at 09.38** calling at **Crediton at 09.49** (where Tom will join) finally arriving in **Okehampton at 10.15**. We will then head East, up the East Okement Valley to Scarey Tor and Cullever Steps then back through Lower Halstock farm to Klondyke Corner and thence to the station. As the return train journey is hourly, more or less on the half hour, it is suggested we do not commit to a particular return time.

Bring a packed lunch

**Tuesday 29 November 2022**

**Batworthy**

**10.30 start and circa 7 miles with 1100ft of ascent**

This walk has a variety of scenery including open moor, a wooded valley, meadow paths and some country lanes. It also includes stone rows, a standing stone, a stone circle and clapper bridges. It will be mostly good walking but there is also a short area when returning to the open moor, that will be more uneven and “damp”.
